DEAR COLLEAGUES!

Alfraganus University invites you to participate in the International Scientific and Practical Conference “Modern Technologies for the Diagnosis and Treatment of Diseases in Dentistry and Maxillofacial Surgery”, which will be held on 26-27 November 2026 in Tashkent, Uzbekistan.

The conference will bring together specialists for professional exchange, presentation of contemporary scientific and clinical achievements, and the development of multidisciplinary cooperation. Participation is available in in-person and online formats. The working languages are Uzbek, Russian, and English.

All expenses related to participation in the conference shall be covered by the participants themselves.

SCIENTIFIC PUBLICATION AND ACADEMIC VISIBILITY

Participants may submit scientific articles for publication through the digital academic platforms of Alfraganus University with international DOI (Crossref) identification and dissemination through Google Scholar and other academic systems. The University’s research analytics are aligned with the standards and indicators of leading international databases, including Scopus and Web of Science.

IMPORTANT DATE

1 NOVEMBER 2026

Deadline for submission of scientific articles and presentation materials.

MAIN CONFERENCE TOPICS

I	**Innovative technologies in diagnostics, treatment and rehabilitation in dentistry and maxillofacial surgery**
II	**Emerging scientific and practical trends in pharmacy and clinical pharmacology in dentistry**
